

# Rainbow Bridge

Just this side of heaven is a place called Rainbow Bridge.

When a pet dies that has been especially close to someone here, that pet goes to *Rainbow Bridge*. There are meadows and hills for all of our special friends so they can run and play together. There is plenty of food and water and sunshine, and all our friends are warm and comfortable. All of the animals who had been ill and old are restored to health and vigor; those who were hurt or maimed are whole and strong again, just as we remember them in our dreams of days and times gone by.

The animals are happy and content, except for one small thing....they miss someone very special to them, someone who had to be left behind.

They all run and play together, but the day comes when one suddenly stops and looks in the distance. The bright eyes are intent; the body quivers. Suddenly breaking away from the group, flying over green grass, strong legs carrying the excited, healthy body faster and faster...**YOU** have been spotted, and when you and your special friend finally meet, you cling together in joyous reunion, never to be parted again. The happy kisses rain upon your face; your hands again caress the beloved head, and you look once more into the trusting eyes of your pet, so long gone from your life but never absent from your heart.

**THEN YOU CROSS THE RAINBOW BRIDGE TOGETHER.....**

**In Loving Memory**
